Dear Ms. Emerick:

Thank you so much for all that you have done to make our *Distracted Driving Campaign* at Nassau Community College a huge success. By sending flyers and posters and suggesting that we incorporate Oprah's No Phone Zone Campaign Pledge to the campaign, you made significant contributions to it. Thank you, as well, for supporting our campaign efforts by providing giveaway items such as gift cards, pens and hand sanitizers.

Your willingness to drive such a long distance to and from our campus today is greatly appreciated. We also appreciate your bringing in Joseph Maselli and Ken Gray to help with the campaign, as well. Joe's presentation at the Campus Services Committee meeting was outstanding.

Once again, on behalf of the Campus Services Committee and the Student Government Association at NCC, thank you for all of your help with our campaign. Marshall and Sterling should be extremely proud to have such caring and dedicated professionals working as part of their team.

Sincerely,

Dear Mr. Grey:

Thank you so much for all that you have done to make our *Distracted Driving Campaign* at Nassau Community College a huge success. You, along with your team (Lorraine Emerick and Joseph Maselli) did so much for us by designing the flyers and supplying with plenty of them. Thank you also for bringing so many giveaway items with you, the gift cards, pens and hand sanitizers. Lorraine's planning efforts were remarkable and Joe's presentation at the Campus Services Committee meeting was so well-received.

When you spoke with our students at the information tables, you were not only helping to spread the word about distracted driving, but you also contributed to preventing accidents and saving lives. Your willingness to drive such a long distance to and from our campus today is greatly appreciated.

Once again, on behalf of the Campus Services Committee and the Student Government Association at NCC, thank you for all of your support and help with our campaign. Marshall and Sterling should be extremely proud to have such caring and dedicated professionals working on their team.
